

Wilmor Downs Semen Collection Policy

For Clients wishing to receive a semen collection from a stallion standing at Wilmor Downs Equine Breeding Services, we would appreciate at least 24 hours notice prior to the collection. Because we are located in a reasonably remote part of Central QLD transporting the semen needs timing and planning.

We collect Monday to Thursday and send Toll Priority overnight. The collection and processing fee is \$300 and current Toll Priority amount is \$150 for QLD, and \$220 for interstate. These fees must be paid for in full prior to semen being sent. The semen drop off fee from Wilmor Downs to Emerald is \$120.

Collections over the weekends may be possible depending on circumstance. It is also possible to send semen via *Qantas or Toll Air out of Emerald Airport*, more notice must be given if requiring weekend collections. A quote will be given on air transport, from experience prices range from \$200 to \$350.

A semen request form **MUST** be emailed to us prior to the collection being undertaken wilmordowns2@yahoo.com, emails are answered every night. A phone call or text to Lenore Cole to confirm a semen collection is available on 0409 568 378
